WE DEDICATE THE 1977 TALON TO

The person we dedicate the 1977 TALON to was a varsity cheerleader, voted most likely to succeed of her senior class and an all around active student at Ballard Memorial High School.

She is a teacher who is well known at Eastern for her willingness to help, whether it is being a chaperone for a dance, helping with the senior class activities or finding a senior a date to the prom. She is always there and has never been known to say no. All of these projects could surely keep anyone busy, but she also has her home economics classes, her family, and is presently working on her master's degree in guidance and counseling.

We know that these pictures will always bring back memories for her, just as Mrs. Barbara Sapp will always bring back good memories of Eastern for us.

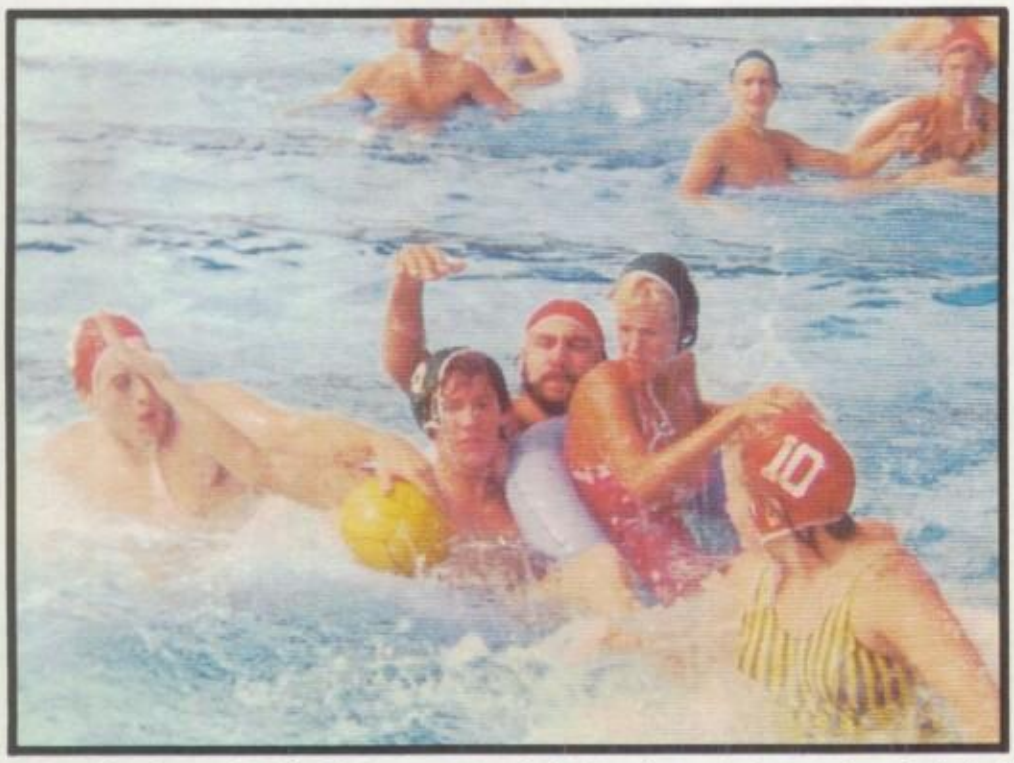
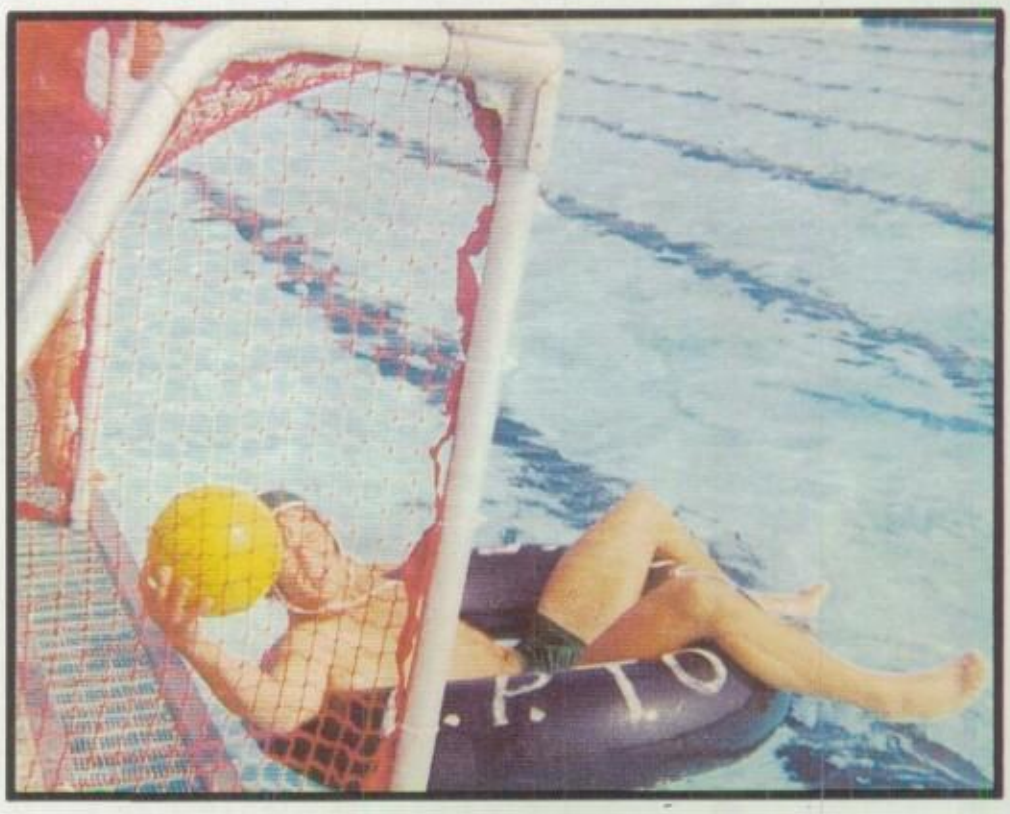
Seniors Find A New Summer Sport



Diane Hendee and Bobby Kaiser put up a fight in order to get possession of the ball.

Members of the class of '77 participated in a Water Polo league at E. P. Tom Sawyer Park this past summer. They were the youngest team in the league, but this was no handicap for them. They finished the tournament in first place, each receiving a trophy. Team members are Captain Diane Hendee, Janet Breunig, Lori Monschein, Sandi White, Cathy Trelease, Cliff Kraweic, Doug Wagner, Peter Davis, Lisa Horsley, Roger Durham, Steve Richter, Bobby McDonald, Bobby Kaiser, Ken Rousseau, Paul Laird, Mike Ochsner, and Kim Powers.



Team goalie, Ken Rousseau, saves the ball.

Derby Attracts E.H.S. Students

The first week-end of May . . . DERBY. The biggest horse race of all and one of the biggest crowds. Each year many EHS students join in the fun of this day, some waking before dawn to beat the long lines and head for the infield. Getting there about five hours before the 1st race usually calls for catching up on that sleep you missed, then as you watch the people fill the grandstands, dressed in an assortment of fashionable clothing. You smile and think how comfortable you are in your jeans and T-shirt. When the time for the first race finally comes, you wake-up and get ready to do some serious betting, or just guessing. Waiting in lines, making pyramids, eating, drinking mountain dew and just plain having a fun-filled day. Then at long last the 8th race - the DERBY race draws near. People crowd around the fences, and listen for the sound of the bells which set the horses off. Eyes strain and people push - if you're fortunate, you might catch a glimpse of a horse go by. And so in less than 2 minutes the race is over. The crowds pack up their empty coolers, dirty blankets and losing ticket stubs and go home with a lasting memory of the DERBY.

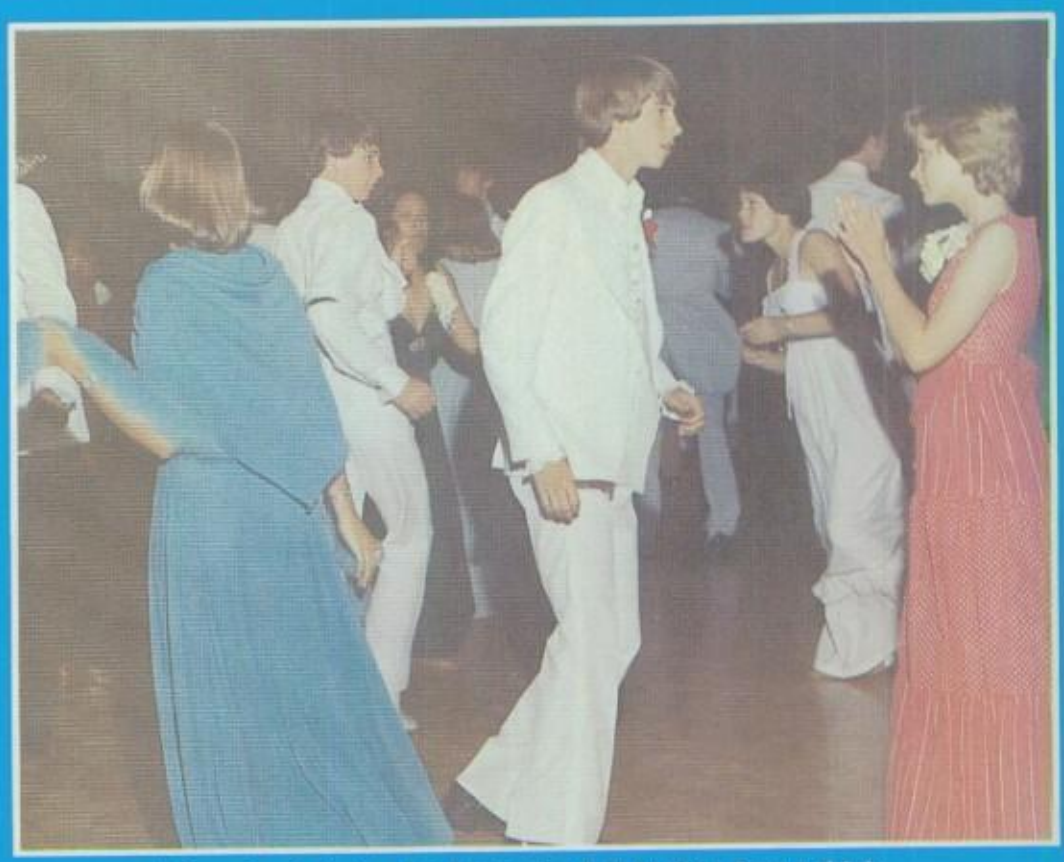
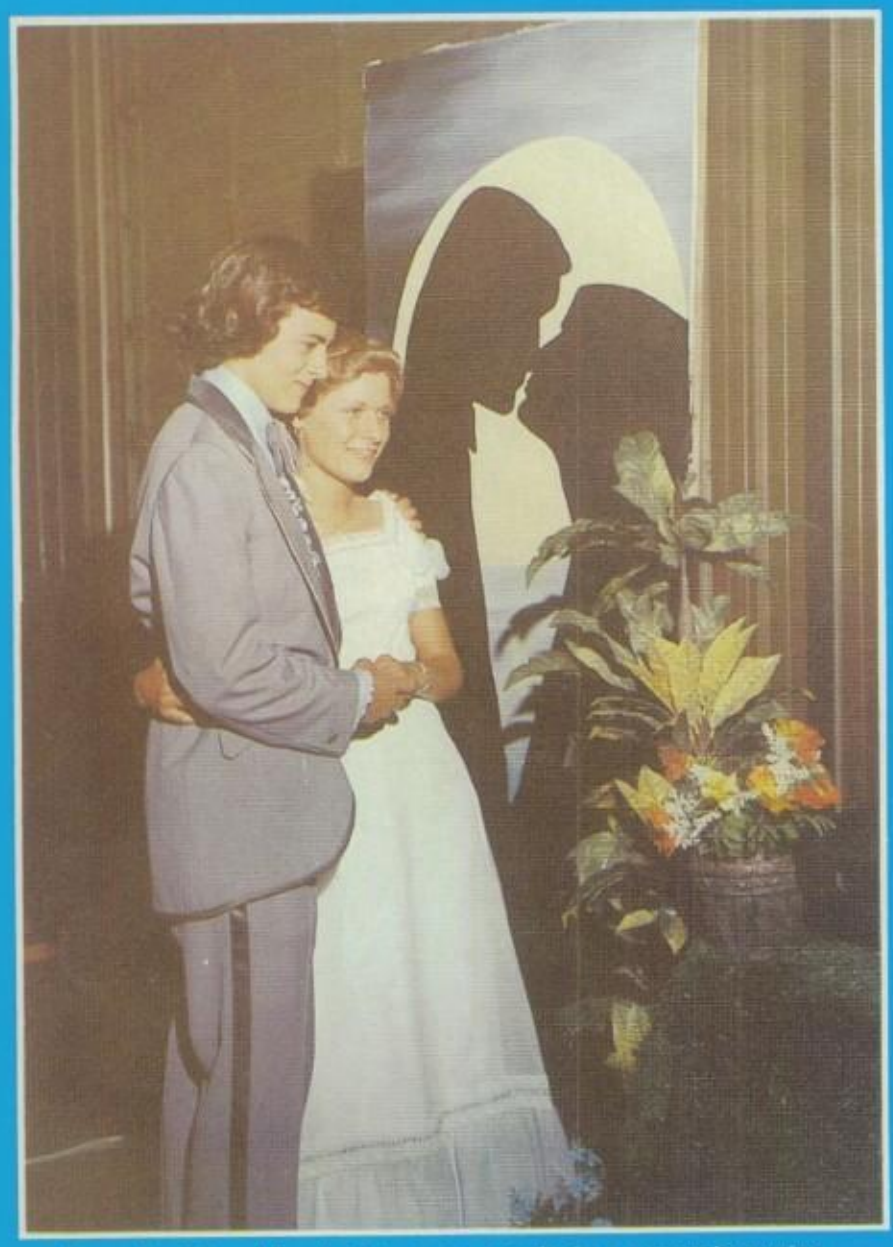
Mr. and Mrs. Morrison and Mr. Morgan also join in the fun!

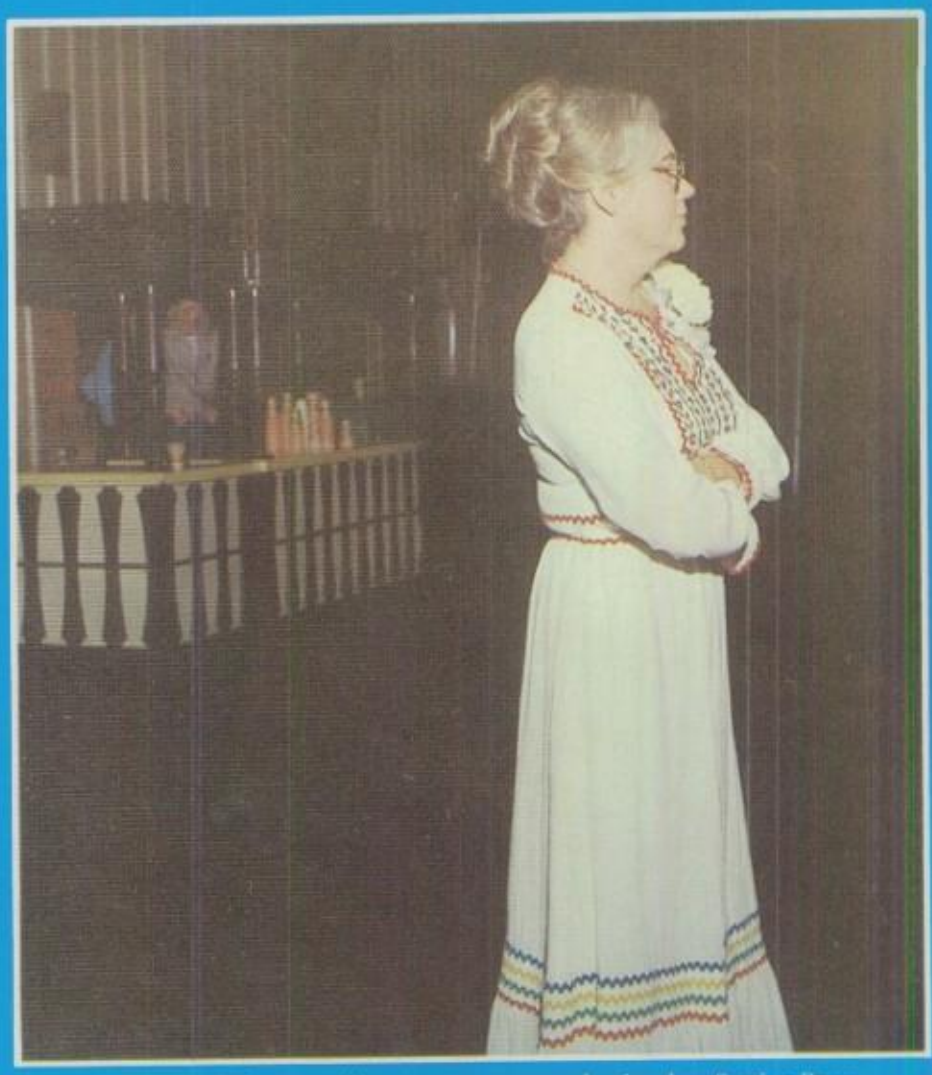
Prom Means Excitement



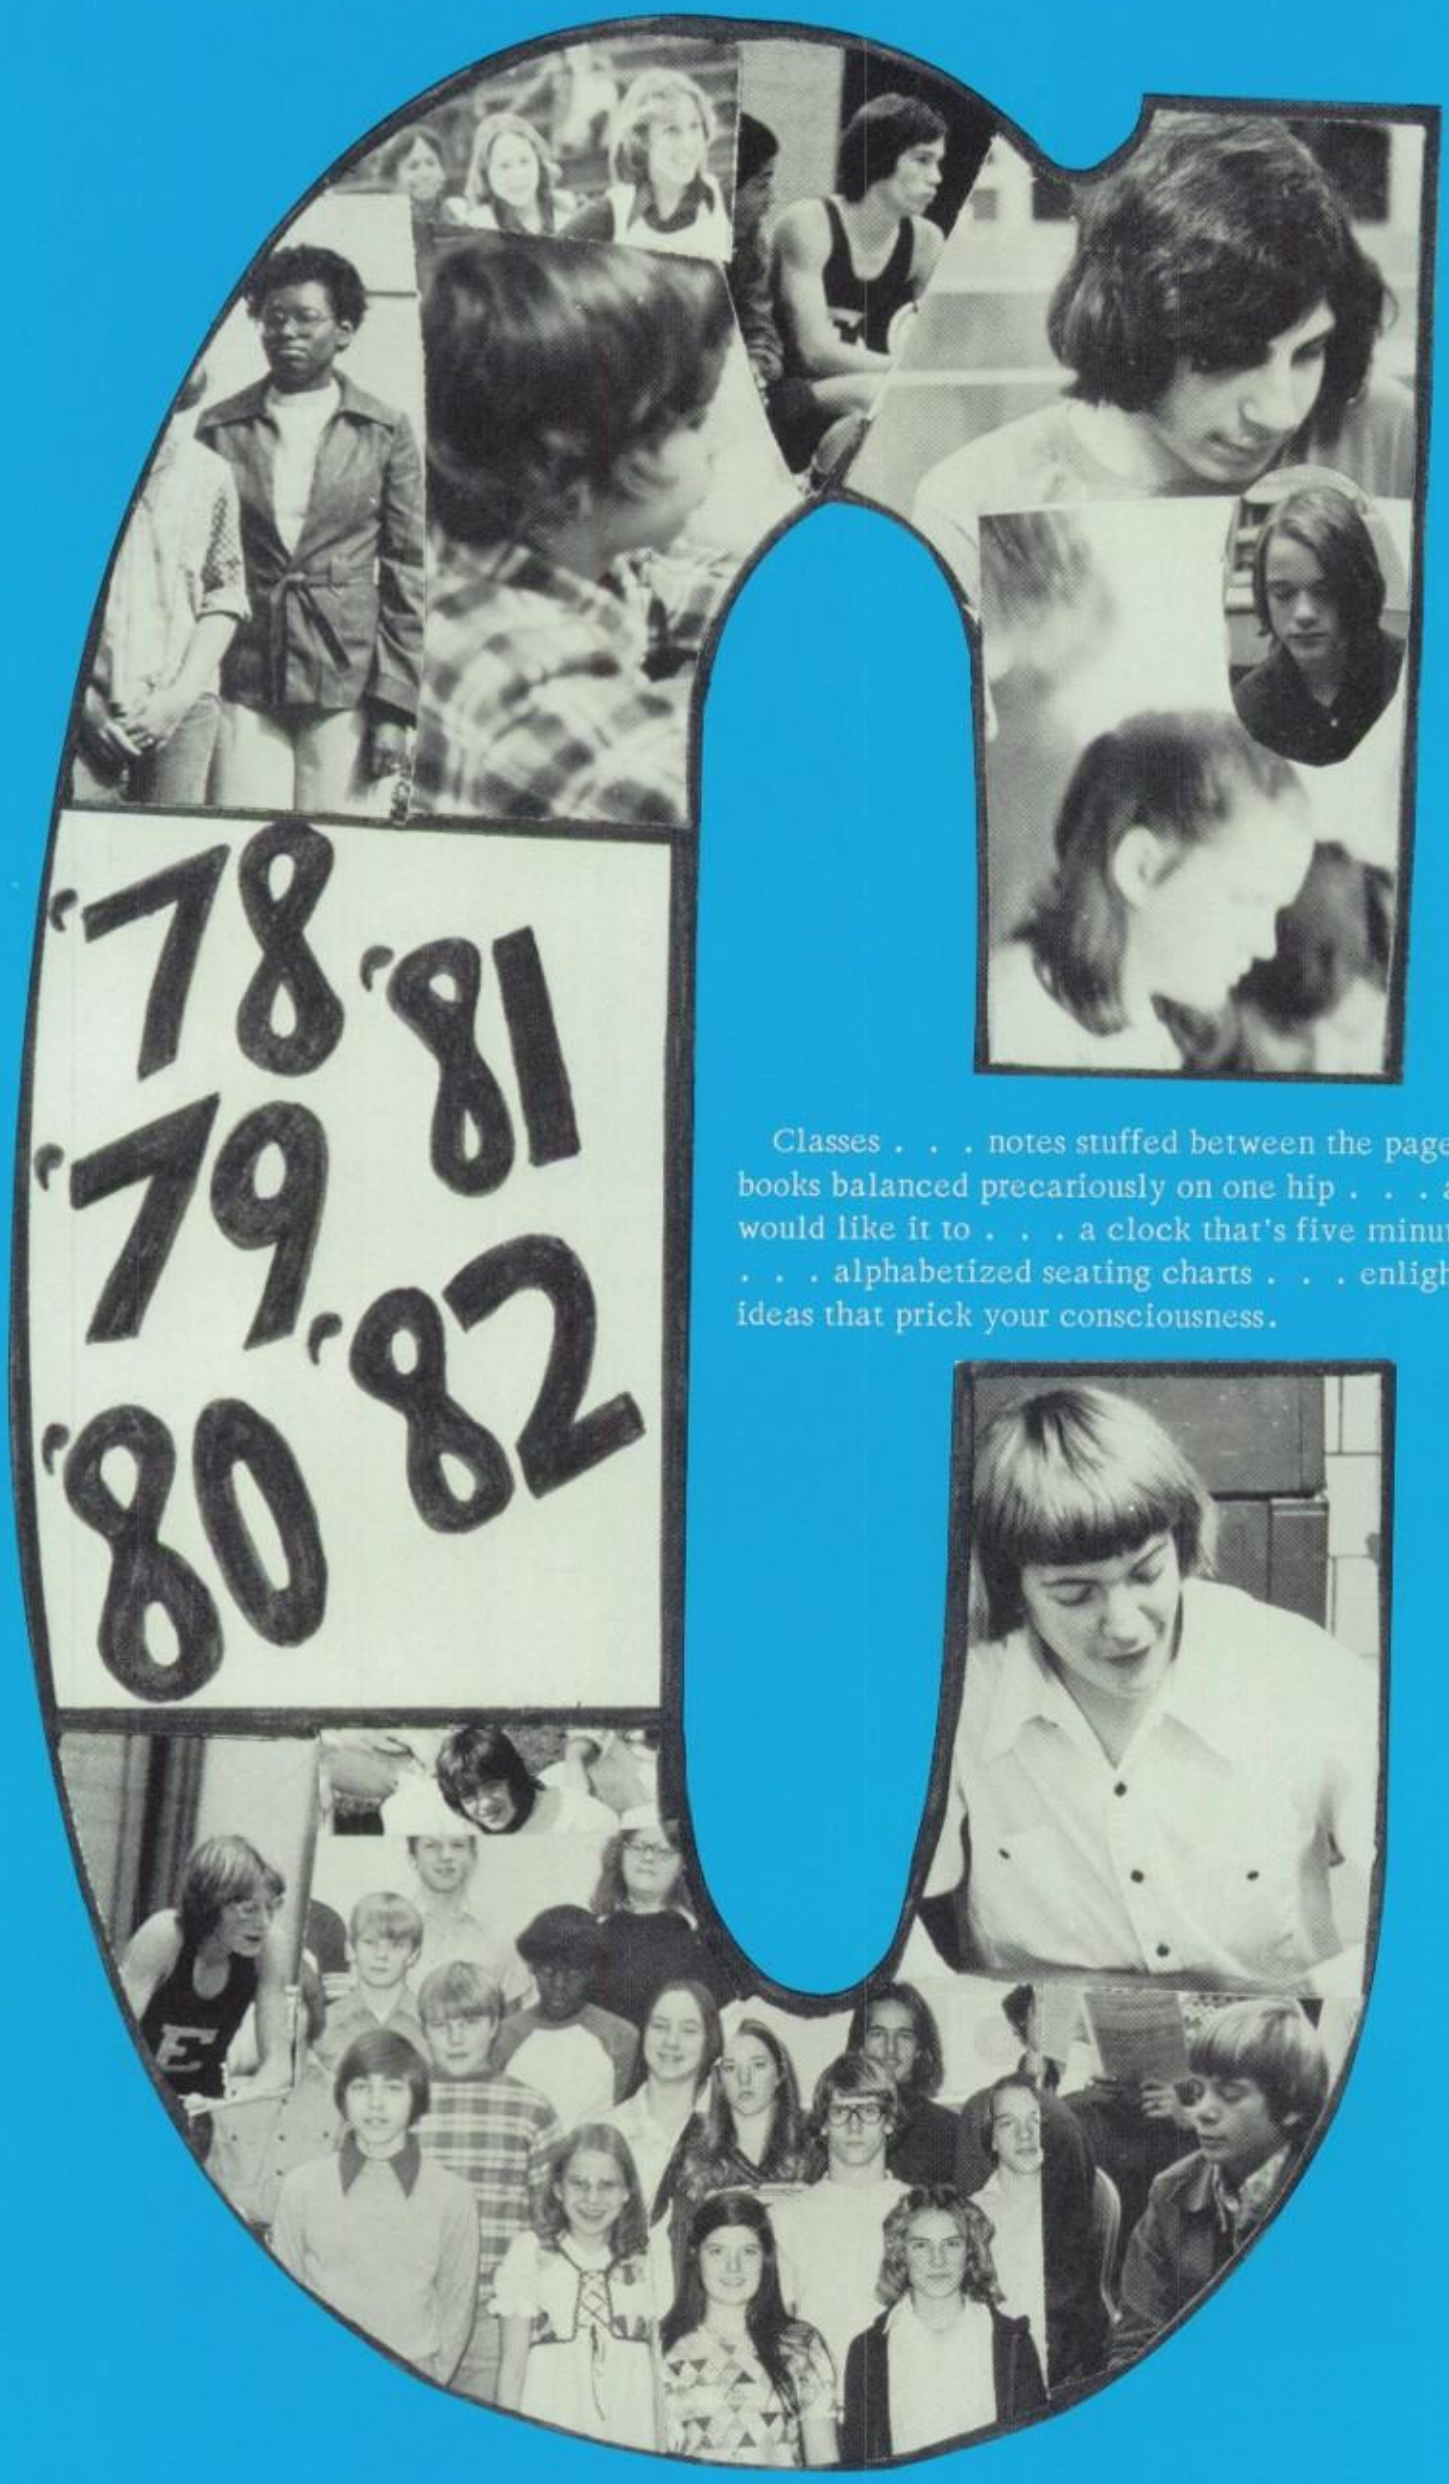
"Dancing is O.K., but I'm so tired," Melissa Stroup thinks.



Karen Weihl and Frank Waters are caught in a romantic setting.



Mrs. Powell looks on with content, remembering her Senior Prom.



Classes . . . notes stuffed between the pages of a spiral notebook . . . books balanced precariously on one hip . . . a bell that rings sooner than you would like it to . . . a clock that's five minutes slow . . . stifling a yawn . . . alphabetized seating charts . . . enlightenment . . . long sought ideas that prick your consciousness.

Remember the Faces . . .

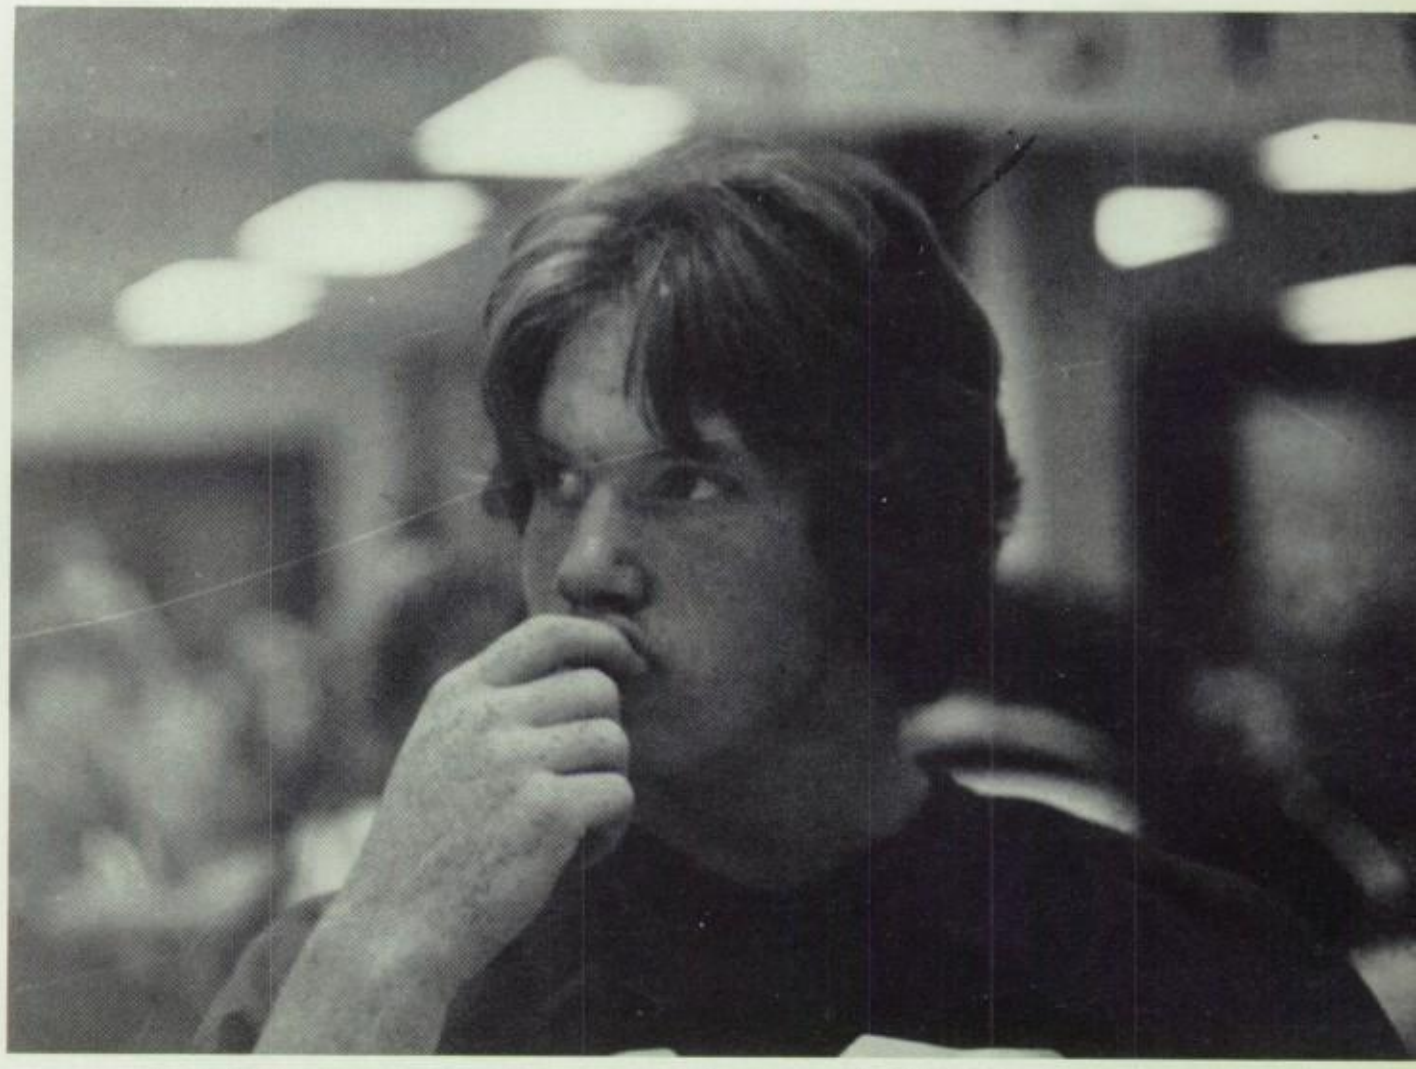
"Get it, get it, get it on!" cheers Stacie Martin.

"I wonder if I should eat this lunch or not?" thinks Brian Kelly.

"Why did the referee do that?" Lauren Wade wonders.

"Hurry up and take the picture," Gary Bonnie says.

"Aren't I beautiful!" sighs Sherry Grunwald.



Steve Brown tries to find an empty spot in the lunch room for "'79 is Fine" poster.

The Crowds . . .

Slow dancing brings people close.

Boogie down at the Homecoming dance.

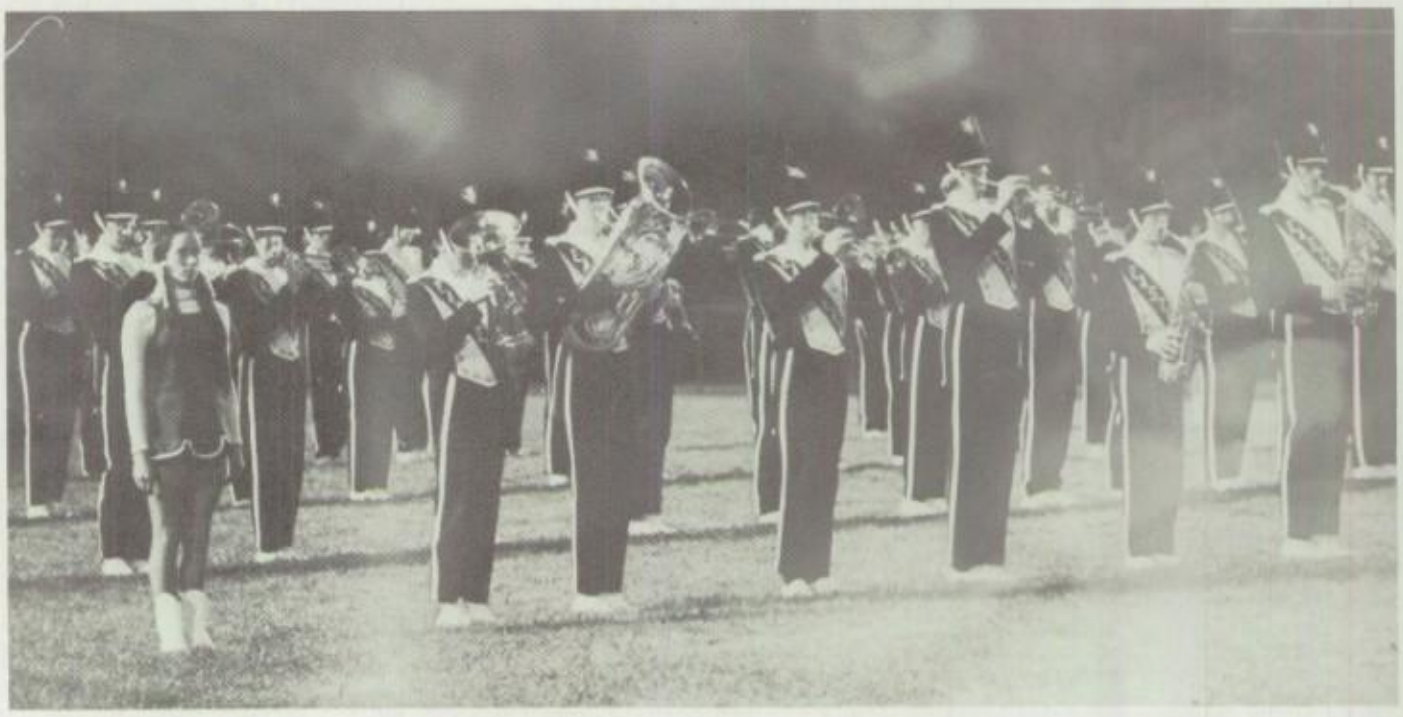
Crowds of cheering students . . . some watching the game, others finding things in the stands more interesting.

Tori Trull loves having her picture taken, but Brian Goodknight sees only her.

CROWDS . . . the mingling of the bodies produce the excitement in the air . . . music streaming from the band . . . chants for victory all around . . . the whole atmosphere is one of enjoyment and fun.

Touchdowns cause lots of noise.

Slow dancing gives everyone a chance to cool off?



Remember the Good Times . . .

GOOD TIMES . . . waking up to see a snow covered world and then being able to go back to sleep . . . no school today . . . feeling the wind in your face as you ride down the hill on your sled . . . being with friends . . . winning the game . . . doing something helpful or creative . . . just being yourself is having a good time.

The first Junior class meeting was held on September 30, and the order of business was to elect new officers for the 1976-77 school year.

Under the leadership of V. J. Cain and Joe Patterson many fund-raising activities were planned. Junior class dues of $5.00 were collected throughout a two week period. Light bulbs were sold, and committees were formed to discuss the possibility of showing a movie to help raise money.

On February 8th and 11th ring measurements were taken. It was a time of great excitement, and all looked forward to the day they would receive their rings and wear them proudly - a day that might very well highlight their Junior year.

The month of February was a very busy one. A sock-hop was presented, and music was provided by ''Foundations''. It was quite a success. Also on the agenda for the month was a magazine sale, which turned out to be a big money-raising event.

Many other projects were planned for the remainder of the year, and with a generous sum of money in the class treasury we could all look forward to a productive and fun-filled year as Seniors.

FACULTY . . . assignments to boggle the mind and jar the imagination . . . give a summary of the next three chapters . . . discovering the individual solutions to problems . . . a quiz every Wednesday despite that Tuesday night basketball game . . . conferences with parents after school . . . grading that pile of papers, reprimanding, lecturing, organizing, educating, leading forth . . .

Mr. George Morrison

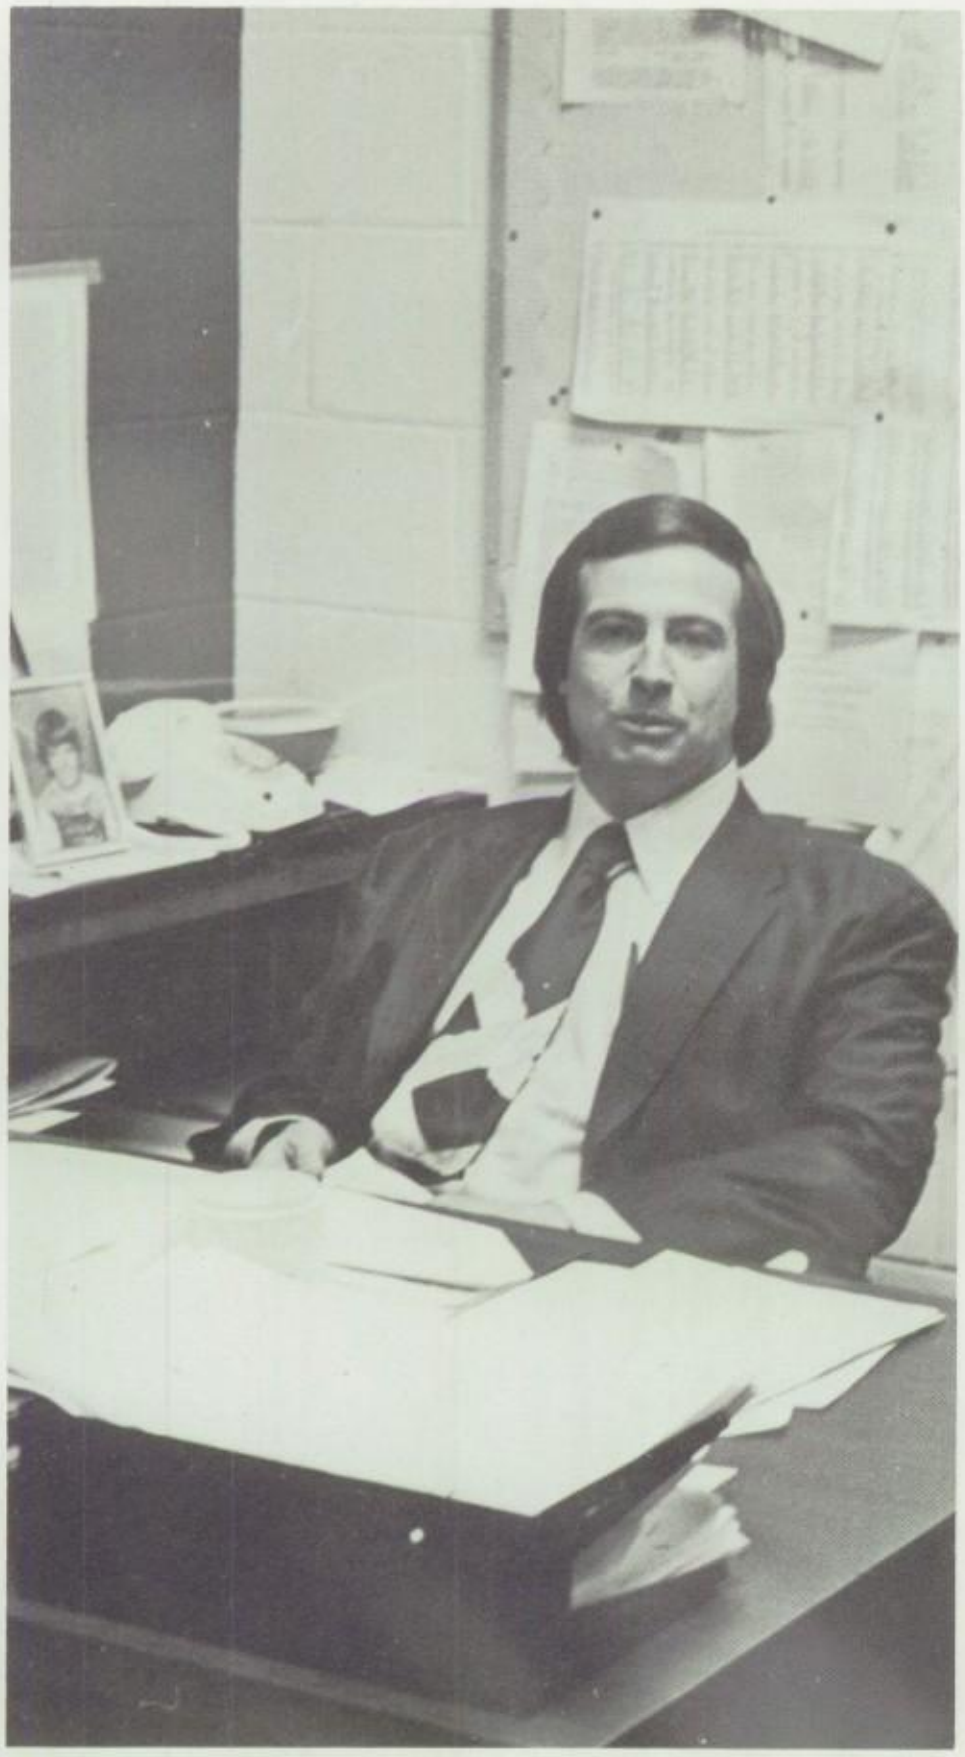
Mr. Morrison has been a part of Eastern High School since the day it opened in 1950. He has been active in every phase of development at Eastern from the construction of the school to the job of running E.H.S.

Eastern High School opened its doors to teachers and students the day after Labor Day in 1950. The day before, Mr. Morrison and the construction workers worked until after midnight laying the tiles in the main hallway. He then went home, cleaned up, and returned to Eastern ready to greet and teach the students of Eastern.

Mr. Morrison has seen many changes at E.H.S. Schools have grown from traditional schools, with few classes to choose from, to the elective quarter plan (EQP), which gives a student a large choice of many different classes.

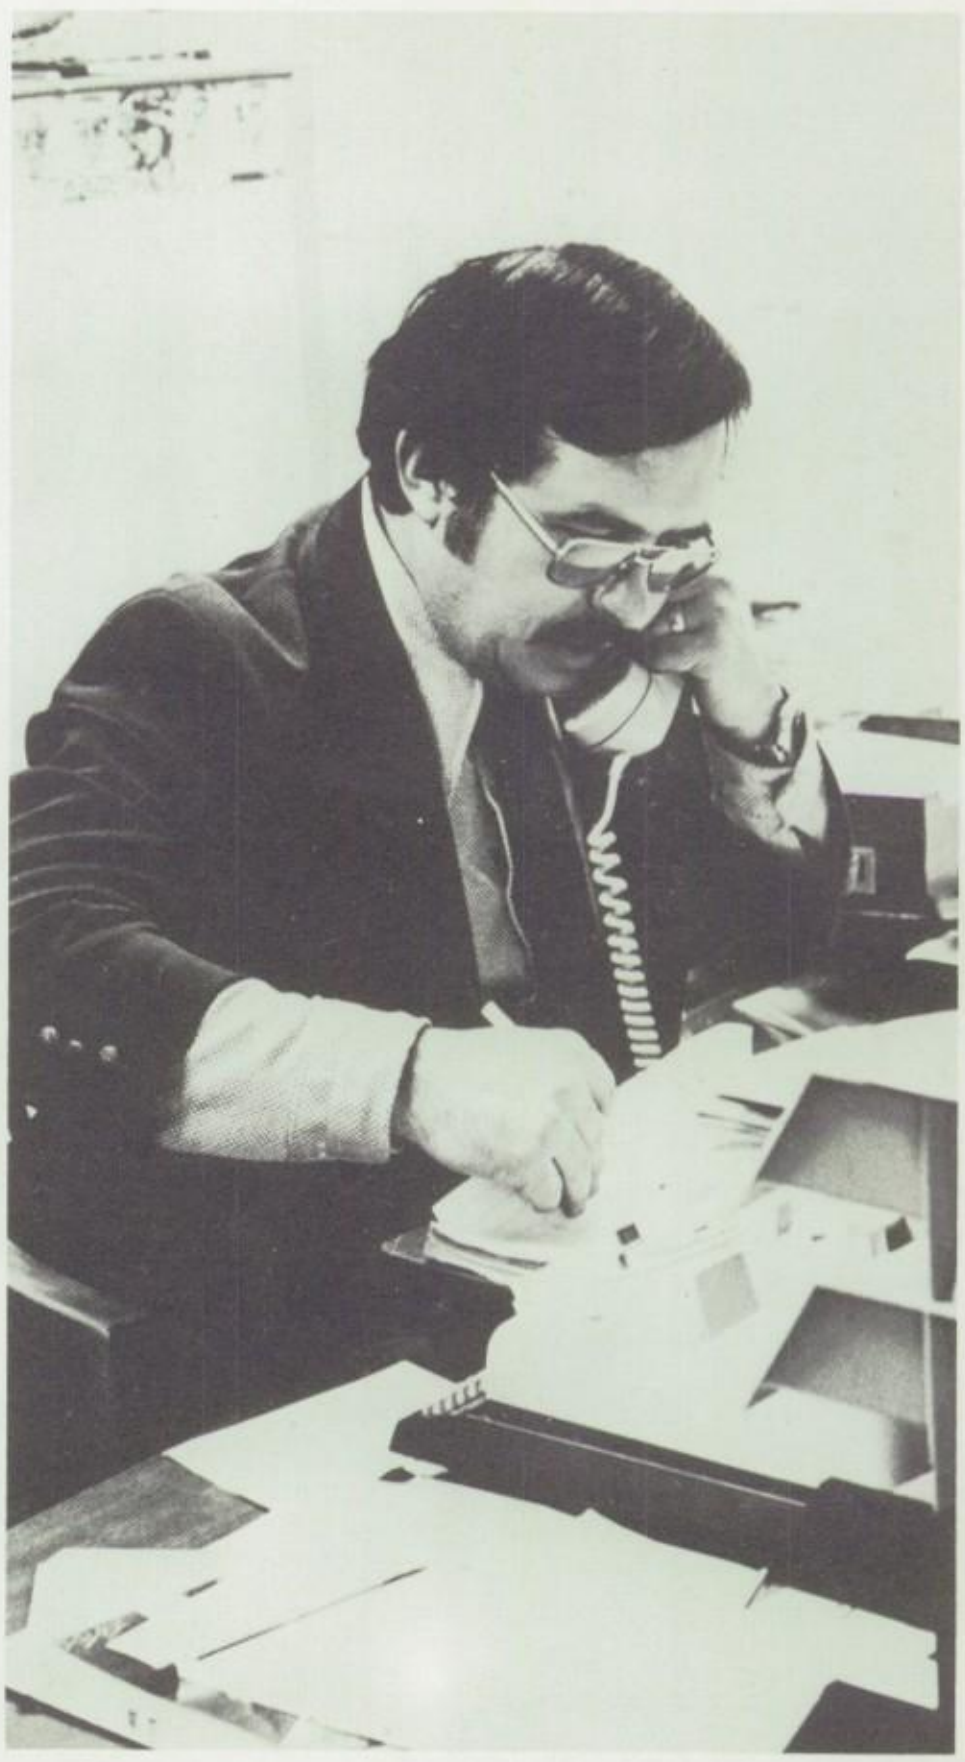
Another change Mr. Morrison has seen is the drastic alterations in Eastern's boundaries. Eastern's district (in 1950) extended from River Road to Zorn Avenue to the Louisville City Limits to Beuchel to Taylorsville Road to Seneca and then to the Oldham and Shelby County lines. Now, with the addition of several other secondary schools, Eastern's boundaries extend to Anchorage, Fisherville, and Hurstbourne.

"The student body is basically the same as that of past years. The biggest change is that students today have more freedom to make choices they feel will help them. If used properly, this freedom is very beneficial."



Mr. Tom Morgan

"While I have seen many changes in the past and will undoubtedly see many in the future, it is not the process of change that disturbs me. My concern is with man's ability to adjust to change - not change itself."



Mr. James Baber

Mr. Baber became Assistant Principal in 1974. During his years at Eastern the changes in student attitudes have remained minimal. The building has changed but these advancements help in making Eastern the ideal school to attend. There will always be modifications, but Mr. Baber feels Eastern will have an influence on the entire county.

COUNSELORS

When asked about the changes they-'ve seen in student attitudes, the Eastern High counselors agree that while the students are more relaxed, school has taken a back seat to part-time jobs. The "job-consciousness" of juniors and seniors is resulting in lower grades and an increasing desire to fine "the easy way out."

The counselors also believe that students should feel free to confide in them, not only concerning school problems but with personal problems as well.

PHYSICAL EDUCATION AND HEALTH

Physical education (P.E.) and health classes are combined courses. A student has 18 weeks of P.E., and then he has health courses for 18 weeks. The P.E. classes consist of fitness activities such as: basketball, tumbling, gymnastics, volleyball, softball, and track and field. This year, an advanced physical education course gives sophomore, junior, and senior students an opportunity to take gym classes. The health courses give students an understanding of nutrition, dental health, and good grooming. Both these classes teach the students the importance of exercise and good health care.

The drill team, rifle team, and the color guard are also among the many ROTC related activities.

Eagles Split a Pair —

Eastern's opener proved to be a defensive struggle as both teams remained scoreless throughout the entire game. Going into overtime, the Eagles earned their first win, when Malcolm Tillman scored on a ten yard run, ending the game - Eastern 6, Central 0.

The final score does not reflect how the Butler game was actually played. Eastern dominated the first half with a touchdown by Keith Walker and conversion by Malcolm Tillman. The third quarter proved to be tragic for the Eagles when, in punt formation, they fumbled, costing them 6 points. During the fourth quarter a punt was faked and the ball intercepted, leading to another touchdown. The final score was Eastern 8, Butler 14.

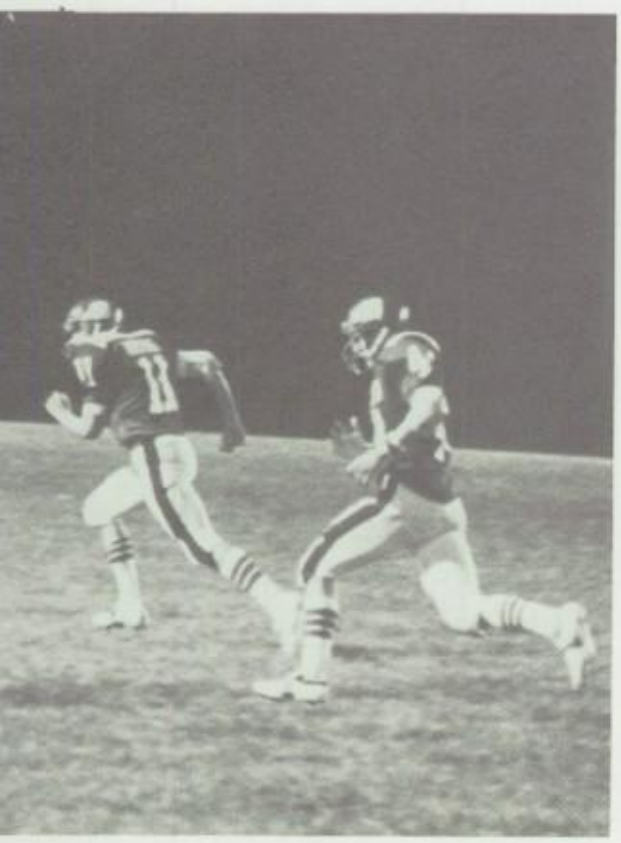
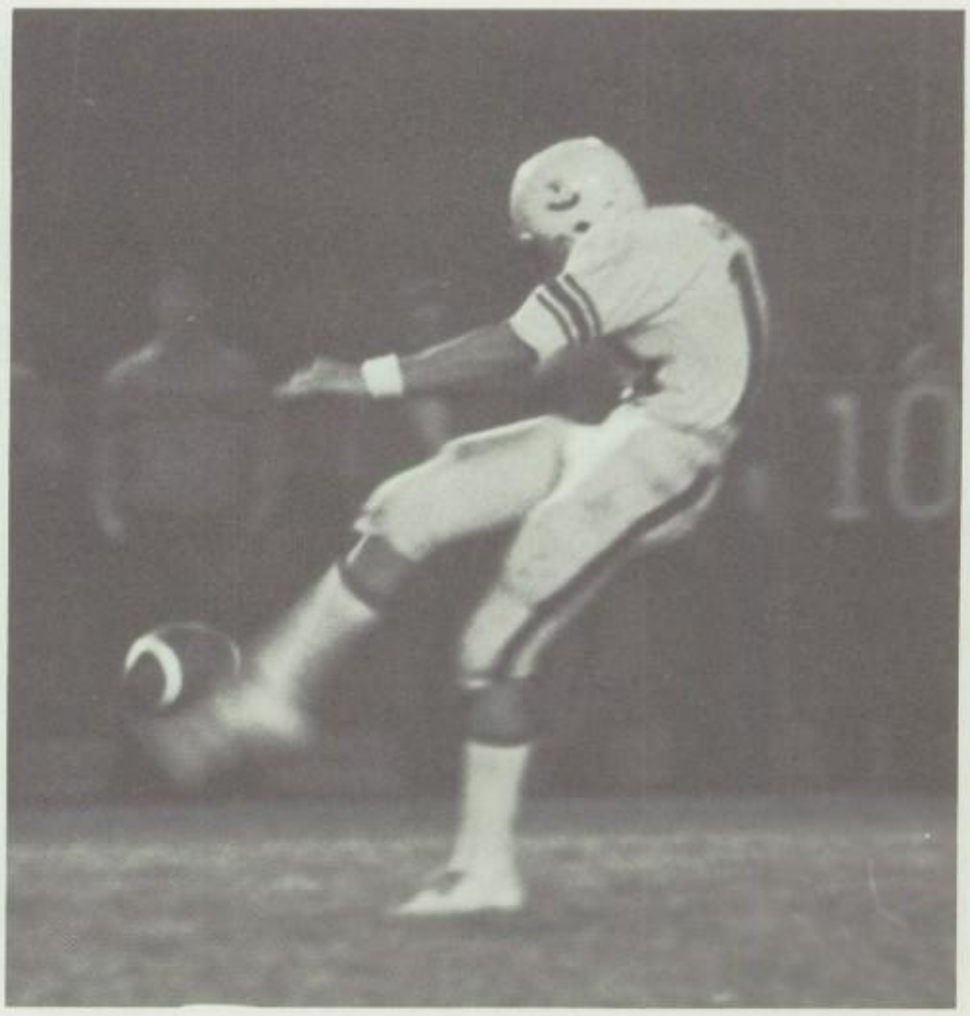
Eagles!



E.H.S. Downs Old Rival

Eagle fans were wild with enthusiasm as the Eagles earned their second win of the season. Malcolm Tillman scored on a 15 yard run to give Eastern their only points in the first quarter. With a fired up Eagle offense, touchdowns were made by Tillman and Walker, conversions by Tillman and Durham, respectively. The defense held Ballard scoreless during the third quarter. Near the end of the fourth, Durham scored on a 7 yard pass from Walker. This ended the game Eastern 28, Ballard 14.



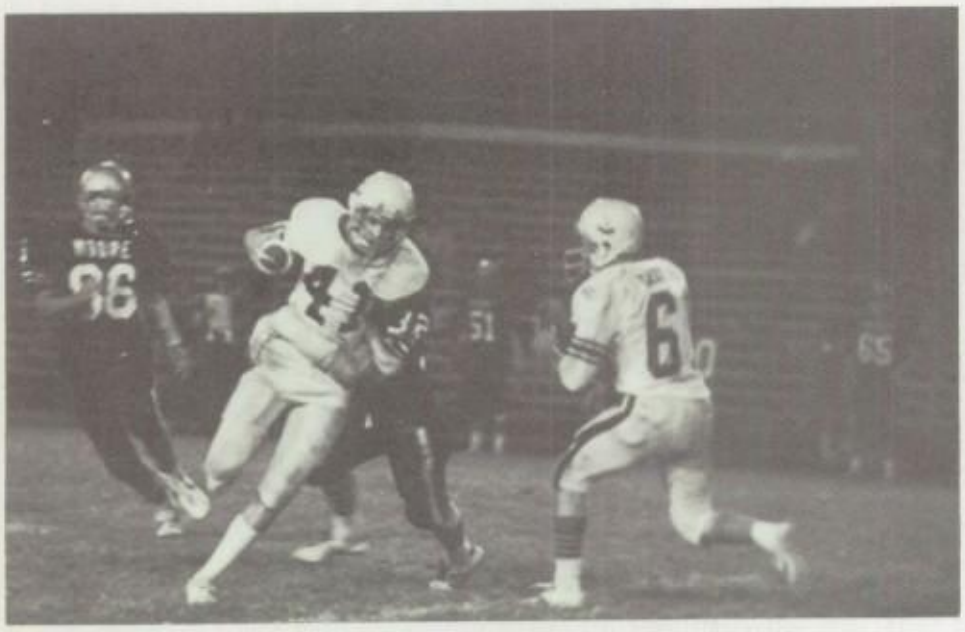
Kevin Moore takes aim.

Eagles Fall to J-Town

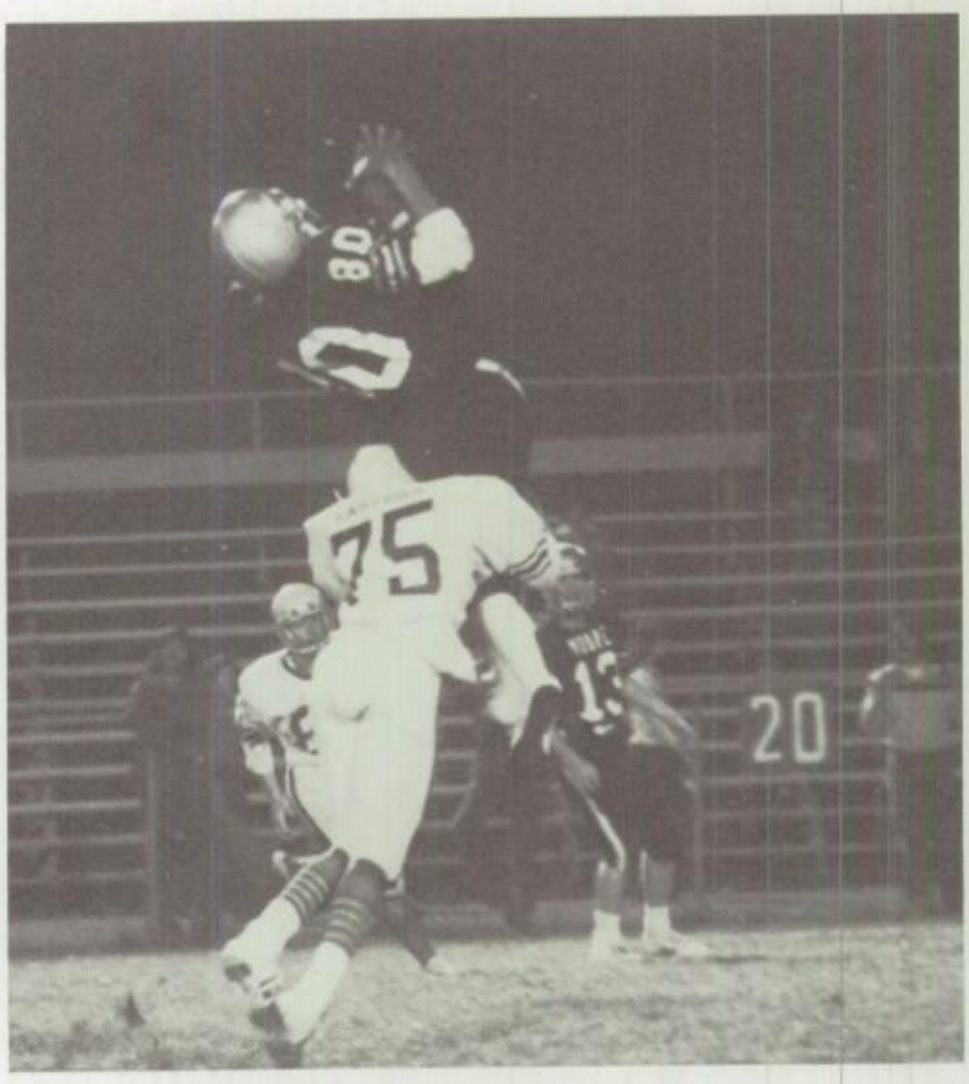
From the first play of the game it seemed as though it would be another Eagle victory. A quick pass from Keith Walker to Roger Durham resulted in an 80 yard run for a touchdown and a two point conversion by Malcolm Tillman. J'Town scored with 1:56 left in the half sending the Eagles into the locker rooms with a two point lead. But the victory was short lived as troubles began immediately for the Eagles after the half. Jim Morris' kick off return touchdown was called back on clipping charges. Twice the Eagles were penalized for late hitting practically giving away the touchdown that put J'Town ahead. The Chargers scored twice more before the game ended making the final score a painful Chargers 23, Eastern 8.

Eagles Earn Praise

Although the Redskins took the district title, that is not to say the Eagles didn't put on a grand show. Near the end of the first half, a seven yard pass from Keith Walker to Roger Durham put the Eagles on the board 6-0 into the half. The teams were out and fighting in the third quarter. Seneca scoring first and making the one point conversion, they now took the lead 7-6. But not for long, because 13 seconds later Malcolm Tillman carried the ball 80 yards on a kick off return to take it back again. Going into the fourth quarter, it seemed as if the determined Eastern ball club would take the win, but in an all out effort, Seneca scored again, securing the title and giving the Eagles their fifth loss of the season.



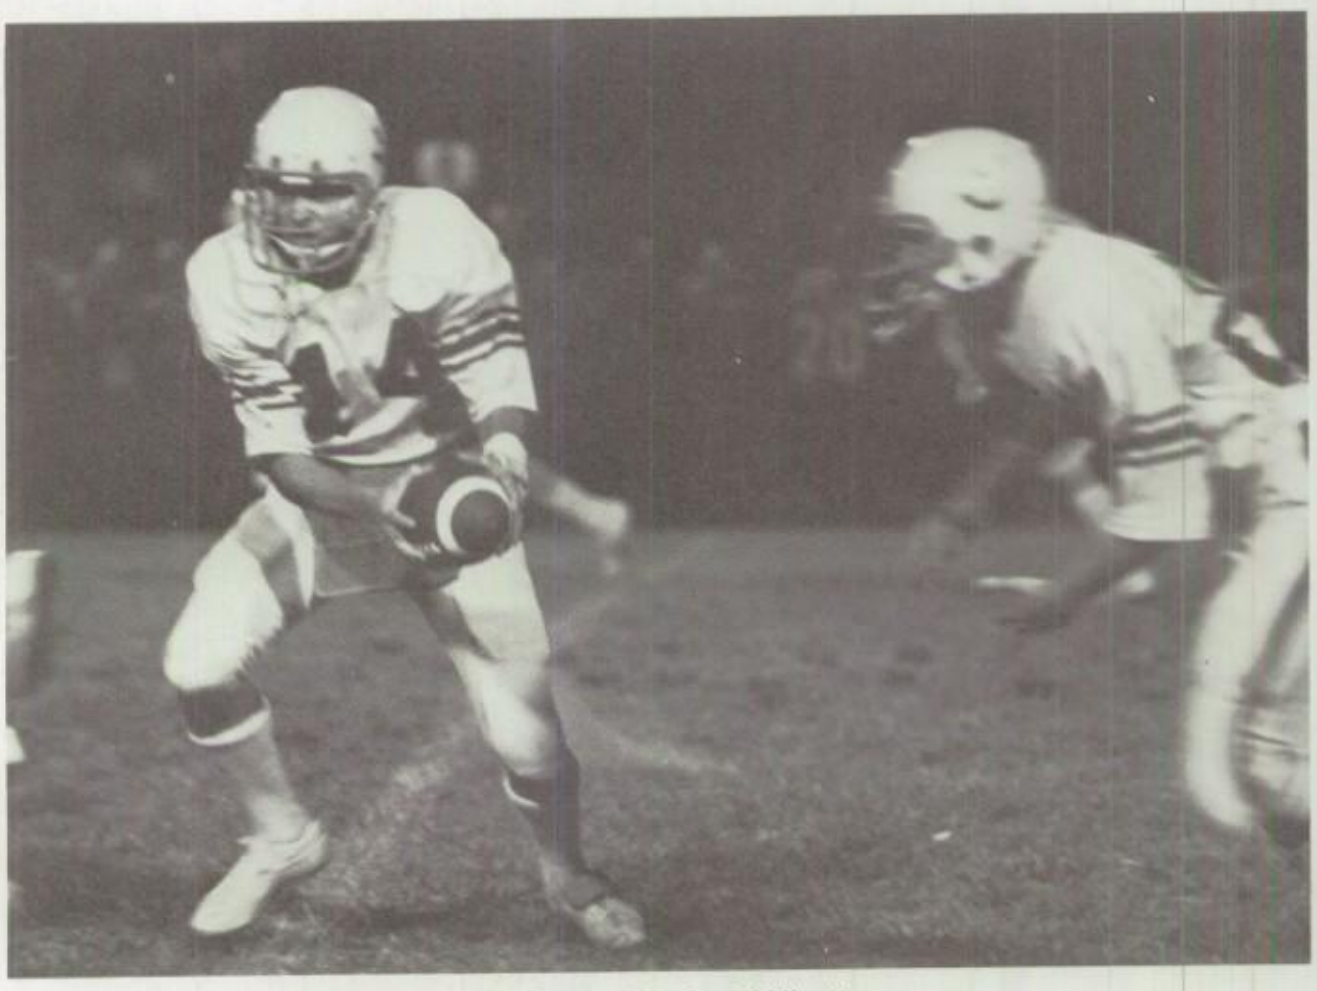
Molsberger breaks away from Moore defense.



Dudley sticks them where it counts!

Eastern Waltzes Past Moore

The Eagles dug their claws deep into the back of the Mustangs as they were victorious over them, 30-7. The offense just kept rolling as a superb defense gave only one touchdown to the Moore offense. During the first half, a run and plunge by Keith Walker put the Eagles into a good lead. The third quarter was no exception in scoring as Malcolm Tillman ran it across the goal line, and made the two point conversion with a pass from Kevin Moore. In the fourth quarter, it was Jim Moore's turn as he bolted across the goal line pretty well finishing off the Moore Mustangs.



The famous "Up the Middle."

Eagles Soar Over Warhawks

Our fighting Eagles gave Westport what they gave Moore - very little. Scoring in the first quarter were Malcolm Tillman, with two touchdowns and Roger Durham with both two point conversions assisted by Kevin Moore. The Eagles scored once again in the half, but failed the conversion making the score Eastern 22, Westport 0. During the fourth quarter Westport scored only once and the last touchdown was made when Keith Walker threw a bomb to Kevin Moore who took it across the line.

Trojans Must Forfeit

It was a disappointing night that October 10th as Southern not only handed Eastern their fourth loss of the season, but took their Homecoming game as well. Both teams started off playing very well offensively and defensively but, the Big Blue Machine just couldn't get anything going. An interception pass from Keith Walker finally resulted in a touchdown by the Trojans giving them the only score in the half. Picking up on an Eastern fumble the Trojans scored again finally ending the game Southern 13, Eastern 0. Later the Kentucky High School Athletic Association ruled that Southern must forfeit their victory over Eastern and 5 other schools because an ineligible player participated in these games. This game counted as Eastern's 6th win of the season.

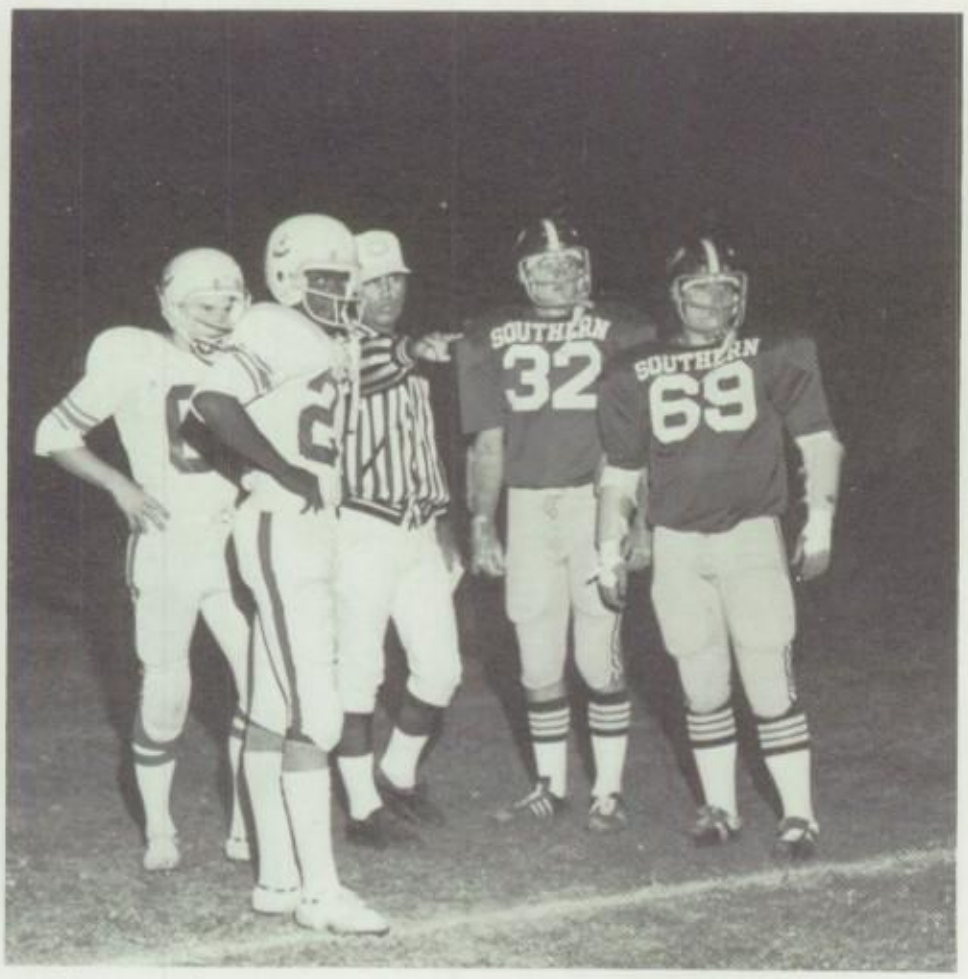
The official gives instructions to captains, Krawiec and Tillman before the Homecoming game.

Eagles Take a Hard Loss

The Eagles were upset in their ninth game of the season by the Valley Vikings. Although Valley scored early in the game, Eastern's fine defense kept them in the game throughout the first half. Eastern trailed only 6-0 at the half way point. At the beginning of the second half Eastern's lack of size began to tell. Valley pushed through two more touchdowns and added another late in the fourth quarter with a two point conversion.

Eagles End on a Positive Note

The spirits weren't very high for the final game of the season against the Waggener Wildcats. But that didn't matter because the Eagles blew the Wildcats away 28-8 without any trouble. Our ball carriers ran circles around the Waggener defense. The Eagle defense only allowed the Waggener ball club one touchdown the entire game. This game ended the Eagle's season with a record of seven wins and four losses. A remarkable improvement over past seasons.



The team cheers as the defense recovers a fumble in the Ballard game.

George Maye sacks Seneca's quarterback.

Eagles Break Even

Eastern won its sixth game of the season over the powerful Fern Creek Tigers 14-8. It was the Tiger's second consecutive homecoming loss. The Eagles were once again led by a hard charging defense spearheaded by Greg Kaelin.

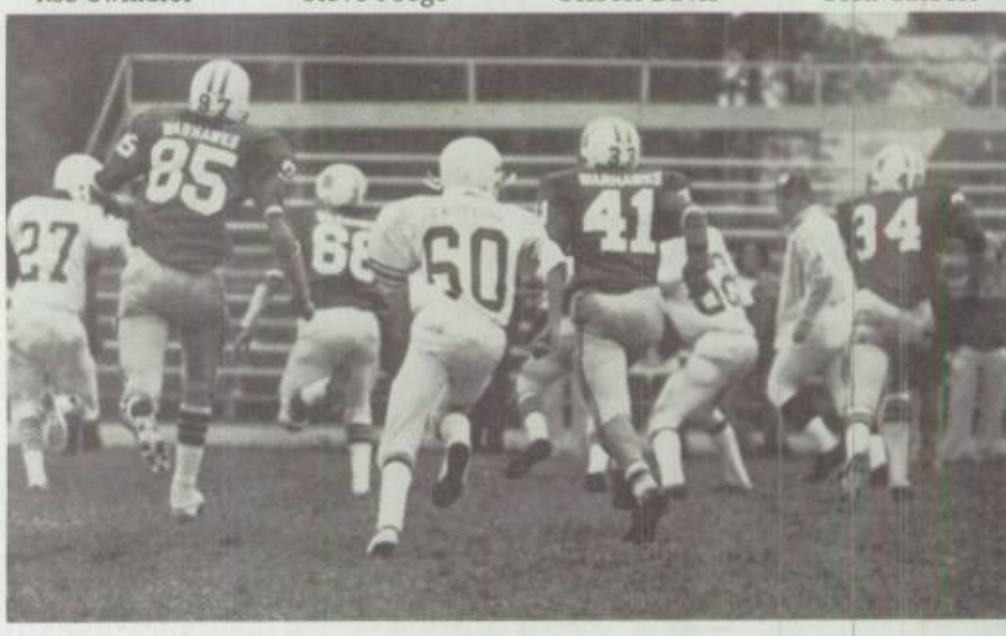
The J.V. football team got off to a bad start this year losing their first games to J-Town, Seneca and Moore by scores of 13-0, 14-0 and 7-6 respectively. The J.V.'s improved with every game; they beat Westport 7-0, and Southern 6-0. The J.V.'s ran into bad luck at Valley, when they arrived at 4:30 and were told the game was not until 7:00. The only score of the game was an interception return by a Valley Defender. Eastern showed a strong comeback by defeating Fern Creek 13-6 and in the last game Eastern defeated Waggener 12-6 the score doesn't show the whole story. The offense did a great job of moving the ball. The Eastern scores were a 98 yd. interception return and a short run by Steve Coppock. The defense proved to be tough only letting one score late in the fourth quarter.



Steve Coppock tries to find a hole in Westport's defense.

Anne Pollock, Joan Roettger, and Marsha Abell get the fans enthused at a J.V. football game.

Joan Roettger feels depressed as the team's defeat seems inevitable.

Just what do you think Rhonda saw?

J.V.'s give a cheer before the game.

Early into the 1976-77 basketball season, Bill Kercher resigned as head basketball coach at Eastern High School. The team had already won the East Jefferson County Tournament for the fourth straight year under Kercher, when he said he would leave. Having been offered a job by his friend, Dana Kirk, at Virginia Commonwealth, Kercher became an assistant coach and a recruiter.

Coach Kercher had been head coach for six years. His records during that time were: 20-4, 19-4, 10-14, 20-8, 17-10, and 16-11, giving him a .667 winning percentage, third best in the seventh region.

The 1976-77 basketball team began the season with almost the same team back from last year. Led by seniors Tony Bailey, who had a 22.1 scoring average (second best in the region), Norvell Easton, who led in rebounds, Walter Hale, who had the best defense, and Jerry Arnold, whose ball handling controlled the team, the varsity had a good season. They beat many highly ranked teams: Moore, Seneca, and Shawnee. Going into the district, they drew Westport with hopes of going to the regional tournament.

The girls Varsity Basketball team had seven returning players from last year: Susan Summers, Susan Wilkins, Darlene Taylor, Cindy Hulse, Sheila Brito, Alice Morrison, and Lynn Pundzak. Coaching for the third year was Mrs. Deanie Feger. The season had a rough start due to the teachers strike and the bad weather which didn't leave much time to practice. At the beginning of the season the girls lost a few games before they finally began to work as a team.

Playing both Varsity and J.V. are: LeeAnn Gadsin, Sheila McGee, Connie Maye. They helped the team when in foul trouble. Paula Merritt, a junior coming from Atlanta at the beginning of the school year, and Sandy Williams, a freshman coming from Nashville during the season, have also contributed to a progressing season for the team. They finished with a 5-15 record. The captain was Susan Summers, and the Co-captains were Sheila Brito and Susan Wilkins.

The first couple of girls J.V. Basketball games were rough from lack of practice. There was much enthusiasm throughout the team. Some of the teams they played had mainly varisty players on them, and many of the teams were bigger.

Returning from last year were juniors - Connie Maye, Nadine Baker, sophomores - Leslie Gividen, LeeAnn Gadsin, and Vicki Smith. Cindy Mershon and Sheila McGee played on Meyzeek's team last year. Vicki Davis and Jessica Shuler played on Crosby's team last year. Most of the players had played before. The team gained 2 players during the season, Sidney Kittila and Monica Thomas.

This was Mr. Holman's second year as coach. He thought the team played very well and is looking forward to next season.

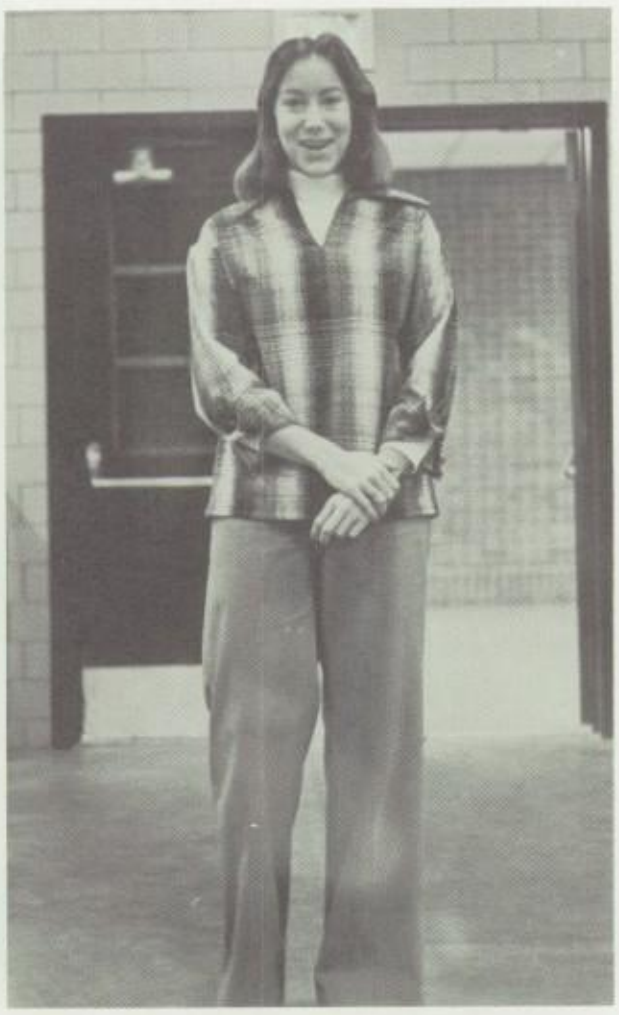
"Warm Up"



Coach Kathy Wyatt

Eastern made a strong showing in the state swim meet held at Plantation Country Club. The girls finished fourth in the state, while the boys took thirteenth. The girls were led by freshman Carol Landry who took first in the 50 and 100 yd. freestyle events, and by junior Kim Ryan's third in the 200 yd. individual medley. Leading the way for the boys were senior Mark McCure, who finished sixth in the 100 yd. butterfly, and by junior David Dahlgren's tenth place in the 50 yd. freestyle.

Coach Kathy Wyatt was pleased with Eastern's finish in the state meet. With all the girls returning and most of the boys, Eastern should do very well next year.

This was the best season yet for the Varsity wrestlers, in spite of the bad weather and snow. They had a 9-1 win loss record in regular season play. In the Falls City Invitational, they placed 2nd. The wrestlers won the East Jefferson County Region and came in 3rd in the State. Cliff Krawiec came through and won the state title in the 138 lb. division.

The wrestlers were constantly fighting to keep their weight within the limit. In the Falls City Tournament Ken Rousseau broke his leg. Dave McMillan was sick toward the end of the season.

This was Chuck Anderson's 4th year of coaching at Eastern. He was very pleased with this team and hopes they will be even better next year.

This year's 1977 Eagle Queen is Miss Sandy Norfleet. She confronted a panel of judges consisting of Paul Rogers, Kathleen Partlow, and Billy Reed. We believe that Sandy was chosen because of her outgoing personality. This is proven by her many contributions to school activities. She is a mat maid for the wrestling team, and a member of FTA and FBLA. Reigning as Eagle Queen is especially important to Sandy because she is a dedicated Eagle Staff member.

The 1977 Eagle Queen Court collected over $2,000 this year to help support our school newspaper. This money was deeply appreciated and will help to finance next year's paper.

HUMAN RELATIONS

Committee started off the year by having students from Atherton come to Eastern. A disco dance with Gilda Shane was held on February 18. Members of the Committee attended workshops on improving communication. The sponsors were Sandra Simmons from the Board of Education and Mr. Morrison. They held discussion groups in Study Halls led by trained students.

GOOD NEWS planned a car wash to raise money for Charity. They tried to promote inter-denominational relationships between the people at Eastern and its surrounding communities. The Club at Eastern is one of the few Christian Fellowship Organizations left in Jefferson County schools.

MEMORIES

As Juniors we realized the great amount of work involved for a successful Senior year. As our first money-making project we had a magazine sale. It was very successful and this inspired more people to get involved. Our Junior Class Play, "The Man Who Came to Dinner," directed by Mr. Tad Chitwood was our big fund-raising project. Never before had the members of the class of 1977 come together in one single effort. Many hard working hours were spent memorizing lines, finding costumes and props and preparing scenery. Through cooperation among the members of the cast and crew and the total dedication of Mr. Chitwood we were able to present a very entertaining play. The profits were more than anticipated and we found we were off to a good start. More concern and unity could be found among class members. The collection of Junior Class dues and money earned through doughnut sales and various other activities brought us closer to our goal. There was much anticipation as the last day of school brought the long awaited ring ceremony. As the rings were presented and the words of wisdom were spoken, we all experienced a certain feeling of pride - in our school and in ourselves. The happiness will never be forgotten in the hearts and minds of all present on that day. Congratulations were given, car horns were blown and parties were attended. The smiles were forever present on the faces of the newly found Seniors. This was only the beginning. We began to make plans for next year's projects. A rummage sale was scheduled and items were to be collected throughout the summer.

Summer passed and the excitement grew. At last we were Seniors. Never before had our school meant so much. The rummage sale was immediately organized. Its outcome was an inspiration. We were now really getting somewhere. The newly-elected class officers worked hard organizing committees to make the necessary arrangements for Homecoming. On October 15, the class of '77 presented "Leaves of Autumn" - the 1976 Homecoming Dance. All who attended the dance appreciated the efforts made by the Senior Class, but most of all it was a very special night for the Seniors. At last they saw the results of their efforts. There was a small let down after Homecoming as was to be expected. It wasn't long, though, before a prom theme was being voted on and decisions were being made about graduation and baccalaureate. Our class chose "Gone With the Wind" as a prom theme, voted against baccalaureate and in favor of having the prom in the gym. There continued a constant rush. Announcements were ordered, cap and gown measurements taken and class dues had to be accounted for. Plans for Vaudeville, our last source for funds, were completed and everyone got into the spirit. Boatride and Prom, of course, became something to never be forgotten. Graduation, as always, was a very emotional and gratifying experience. Never before had we realized how fast the time had gone by.

Now we are turning our minds toward college and the future. As time continues to slip by, may we all hold true the memories we found as Eastern High School Seniors of 1977.

Everybody likes to show off their right hand.

June 4, 1976 - Juniors of '76 become Seniors of '77.

Robert Merta, Caryl McCarthy, Sandy Dearen, Kathy Briscoe, Bobby McDonald, Patti Stravolemos, Bill Sacra and Patti Gould show their spirit on 50's day during Homecoming week.

Hey, hey, hey, . . . Trina Conley and her "NEAT" Senior ring.

Tang Gang?!?!!

...Senior Pride

The excitement of the day can be seen on Sandy Clements' face.

At the Homecoming dance Sherry Carpenter gazes into the pond as David O'Brien gazes at Sherry.

Seniors help bring spirit back to E.H.S.

I wonder what Roger and Mike are grinning about? Could it be that their picture was being taken?

Growing, learning, experiencing -
asserting our way to self-discovery.
This last year has meant a certain degree of success.
The memories,
The fears,
The reality of leaving.
Look back now
To every minute of everyday,
And thank God
For the struggles and the tears,
The achievements and the dreams,
The happiness,
The time slipped by so fast -
Had not the patience to be held.
And we try so hard,
But in reality
all that is left
is the memories.

BEST WISHES FROM ARBY'S

Grady— Yum! Yum! I love Arby's. Well, another year has passed and we've made it through! (Hopefully?) There's alot of good-lookin' guys— why don't you introduce me to any of them? Wish you would. Well, Grady, how has things been goin' for ya. Everything's fine with me. Almost everything. Don't ask me how my love life is going. It's going downhill at a 90° angle. zoom—oom! Well, I hope everything goes o.k. in the future.

Love always!
